

SARUM
ACADEMY

ENRICHMENT 23/24
TERM 3

UPDATE & SIGNING UP

Dear Parent/Carer,

The co-curriculum at Sarum Academy compliments the learning in our academic curriculum and provides every student with the skills to support their future.

The enrichment programme is an opportunity to try new things, develop the familiar and meet other students they might not otherwise interact with.

Our enrichment programme is available to students from all years from 3-4pm. There is a mixture of opportunities that will help extend and support students learning.

The enrichment booklet and activity overview are available to view on the schoolwebsite:

<https://www.sarumacademy.org/co-curricular>

In the past students have been able to attend enrichment on an improptu basis, however, the nature of a growing school means that we will need students to make enrichment selections in advance.

In order to facilitate the selection of enrichments, we have created a Google form survey for you and your child to complete. When you are ready to make your selections, please follow this [link](#). The selection you make will inform staff leading activites of the students who will be involved; we can then keep an accurate attendance record and make sure children are safe and accounted for when attending a club.

Please note that the completed choices form should be completed by: Wednesday, 3rd January

If you have any queries of concerns please contact the Enrichment Co-ordinator by email: adam.lawrence@sarumacademy.org

The main enrichment programme will run from Monday, 8th January.

In the event of staff absence some clubs may be cancelled. If this is the case there will be an announcement on Class Charts to inform this.

*When: Monday
Time: 3-4pm
Location: C4
Staff: Miss Pickering
Year Groups: 10
Max No. of Students: 15*

CHAMBER OF COMMERCE EDUCATION CHALLENGE MONDAY

Every year, the Salisbury Chamber of Commerce challenge students across the city to come up with new ideas. This year, the focus is what should Salisbury look like in 2035? Think about the environment, retail, transport, entertainment, tourism and education.

We'll work as a group to put together our ideas, research and trials to enter the competition to win £2,000 towards making that idea happen for real.

*When: Monday
Time: 3-4pm
Location: M1
Staff: Mr Filer
Year Groups: Business Group*

FOOTBALL CLUB MONDAY

Come along and hone your football skills. A combination of drills and match practice. Whether you're playing for a school team, looking to impress or just have some fun, come along and play.

When: Monday
Time: 3-4pm
Location: 3G Pitch
Staff: Mr Hindle & Mr Lawrence
Year Groups: KS3
Max No. of Students: -
