School Leaver Fair have a range of virtual events running in December and January that will help you to learn about apprenticeship opportunities in different industries. You can check it out [here](#) and register for as many as you are interested in!

Every Monday at 7:30pm, **Aspiring Meds** are running a live online session to support you with medicine applications. They focus on two main areas:

- Watch doctors discuss symptoms, diagnose, and treat patients.
- Join discussions about personal statements and interview techniques.

You can get access to these live sessions for free by using the code WEEKLY100. [Here](#) is the link to register.

The November edition of the [Higher & Degree vacancy listing 2021/22](#) has now launched! Explore 220+ Higher and Degree apprenticeship vacancies from over 40 employers. You can download and view [here](#). Use the keyboard to put in control + F to search specific words like locations or industries.

JOB OF THE WEEK

Aerospace Engineer

Aerospace engineering technicians design, build, test and repair civil and military aircraft. You can earn £20,000 to £35,000 in this role and expect to work 40 to 42 hours a week. There are due to be 1% more construction managers by 2025. You can read more about this job [here](#).

LABOUR MARKET INFORMATION FACT

Only a quarter (25%) of 16- and 17-year-olds now do any conventional paid work, compared with 48% in 1999, according to the Resolution Foundation thinktank.

Why do you think this is?

Meet Sorcha, Animal Care apprentice at Africa Alive! Wildlife Conservation Day takes place on Saturday 4th December this year, so it's the perfect time to introduce you to the world of Animal Care Careers. Sorcha's story offers you a look at her day-to-day role and her personal apprenticeship journey, in under 3 engaging minutes! You can watch [here](#).

Do you prefer watching videos than reading information? Here are some places where you can watch videos about people's job roles rather than read about them:

- [Career Pilot](#) - search the job role in the bar at the top then click the relevant page. There are over 800 job profiles and most have a video.
- [Not Going to Uni](#) - The NGTU YouTube channel has lots of "Get to Know" videos of a range of apprentices working in different job roles.
- [Cr8tive Resources](#) - Their YouTube channel has videos that focus on specific industries rather than hearing from a singular person.

EMPLOYER SPOTLIGHT

[Manchester City FC](#)

"Recognising and developing the best talent is something which sits at the heart of football. For City Football Group, this counts both on and off the pitch. As the biggest sport on the planet, what happens in our stadiums is magical for millions of people around the world."

You can read more [here](#).

UNI SPOTLIGHT

[Queen Mary University](#)

"At Queen Mary, you get the safety and security of campus life, while living in one of the most exciting parts of London. Our Mile End campus offers a community where you can live, relax and study. We have two shops, four cafés, two restaurants, a bar, a gym, a bookshop and a bank on site."

If you have any questions or need support, please contact gareth.jones@sarumacademy.org
