

# YEAR 9 ART ARCHITECTURE

# TASK 1

## YWBAT: Create your own 3D surface

Roll up different coloured paper, this could be from magazines, newspapers. Glue these on there end to piece of cardboard 15cm x 15cm. Create a interesting 3D imaginary cityscape. See example on image. Photograph and upload to Classcharts

Artist Tip: Consider how colours compliment each other

# Task 2

## YWBAT: Draw from Observation

Find an interesting part of your house, start with a light outline and develop with tone, can you give the illusion of perspective and depth.

**ARTIST TIP:** Could you add colour?

Van Gogh - Bedroom 1888

# TASK 3

## Digital Collage of Architectural buildings

---

**Research and collect**  
images of architecture.  
**Create a collage.**

You could cut out and glue a collage or use powerpoint or similar program to layer and arrange an engaging collage. You can use these when you are back at school to inspire your paintings.

# TASK 4

**YWBAT: Investigate the work of Architects.**

Research the work of **Renzo Piano** and **Zaha Hadid**.

Create a power-point presentation on the Artists.

You should include the following details:

Who are they?

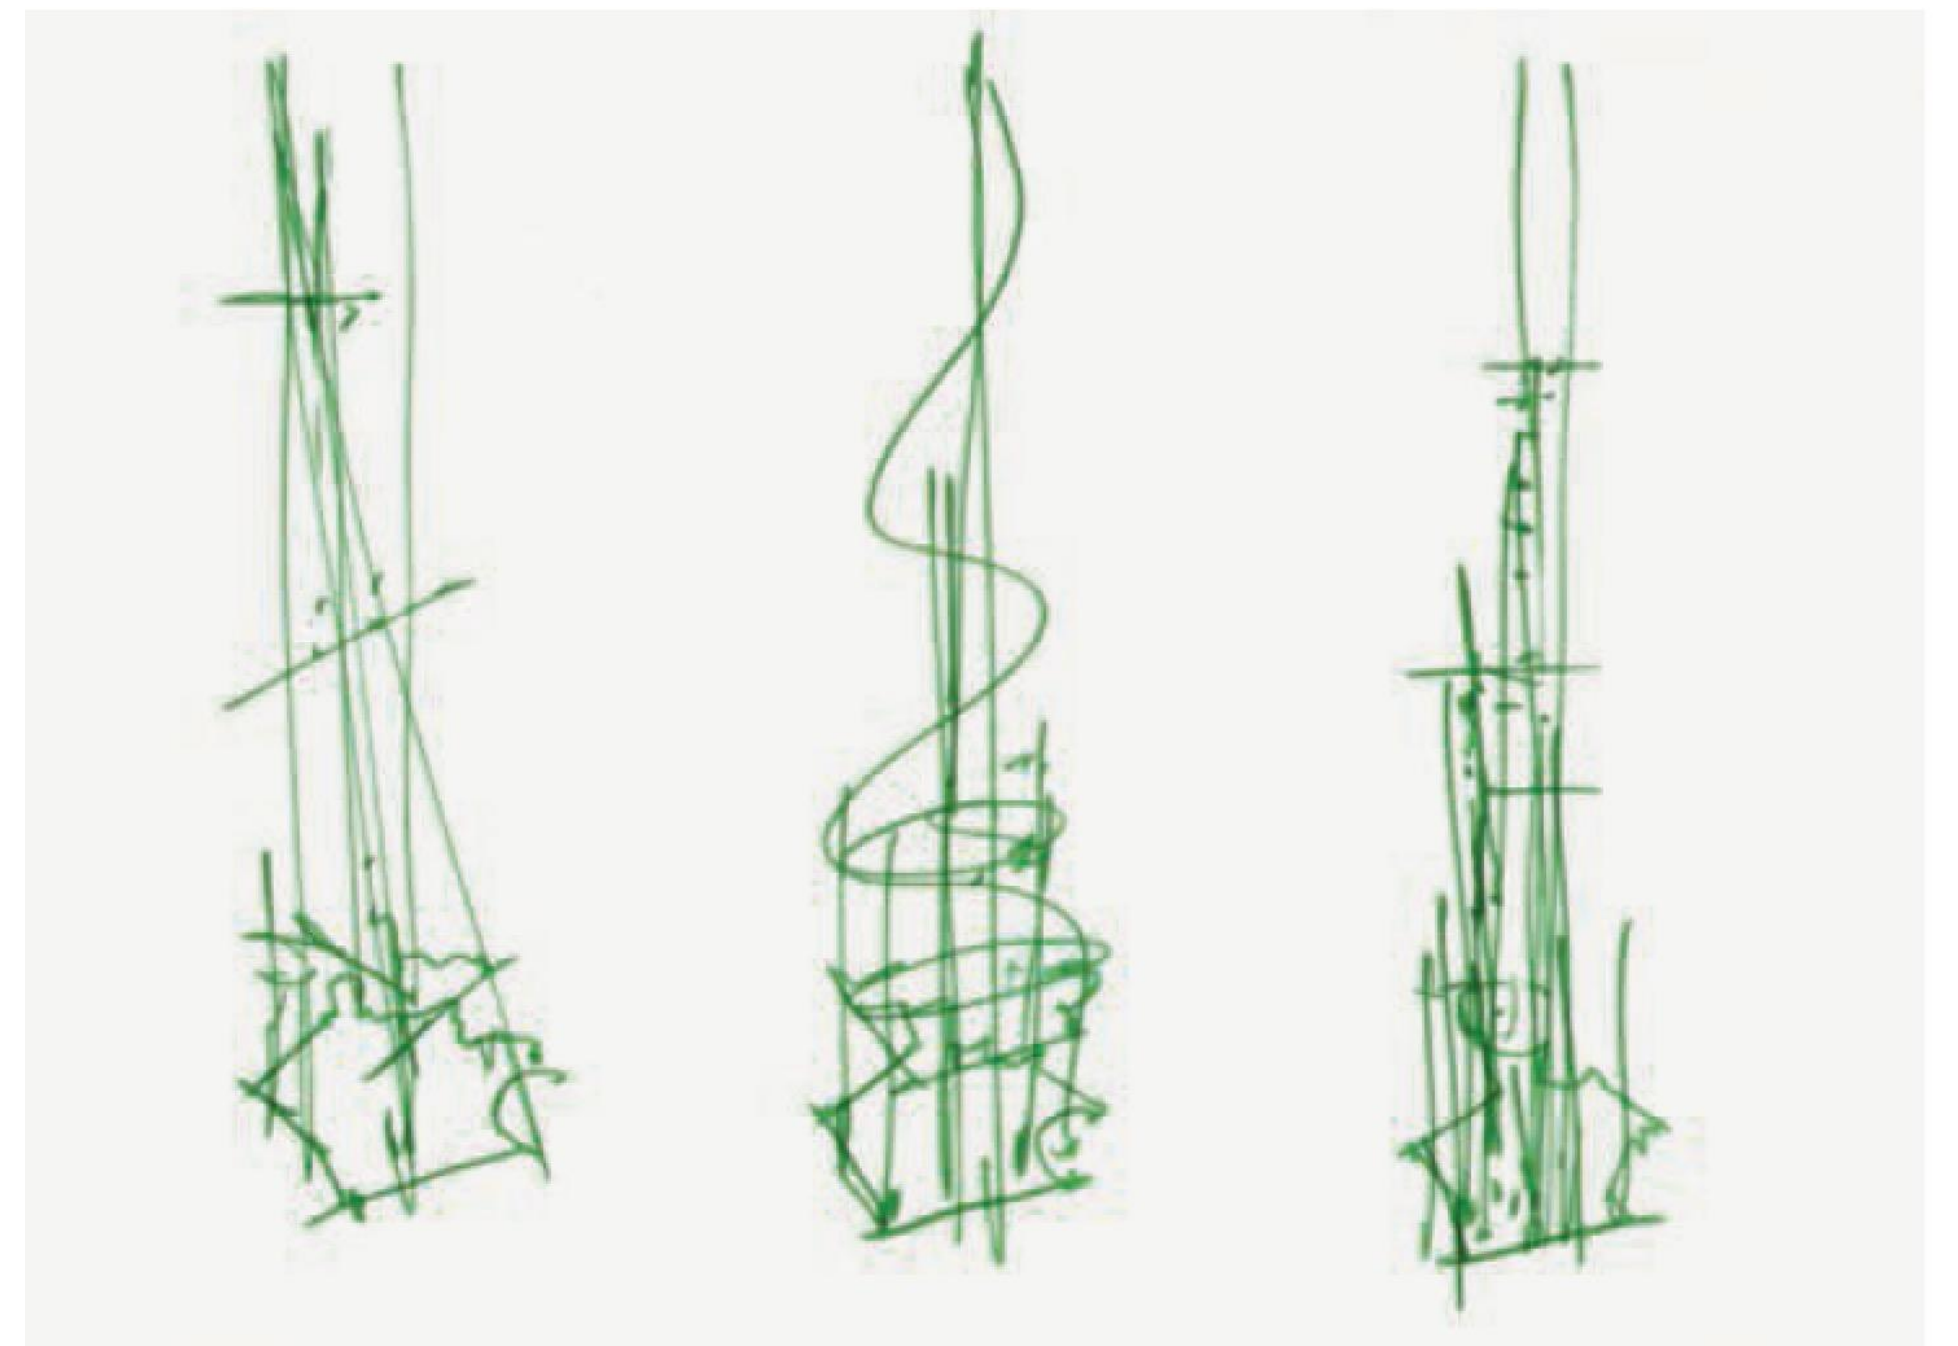

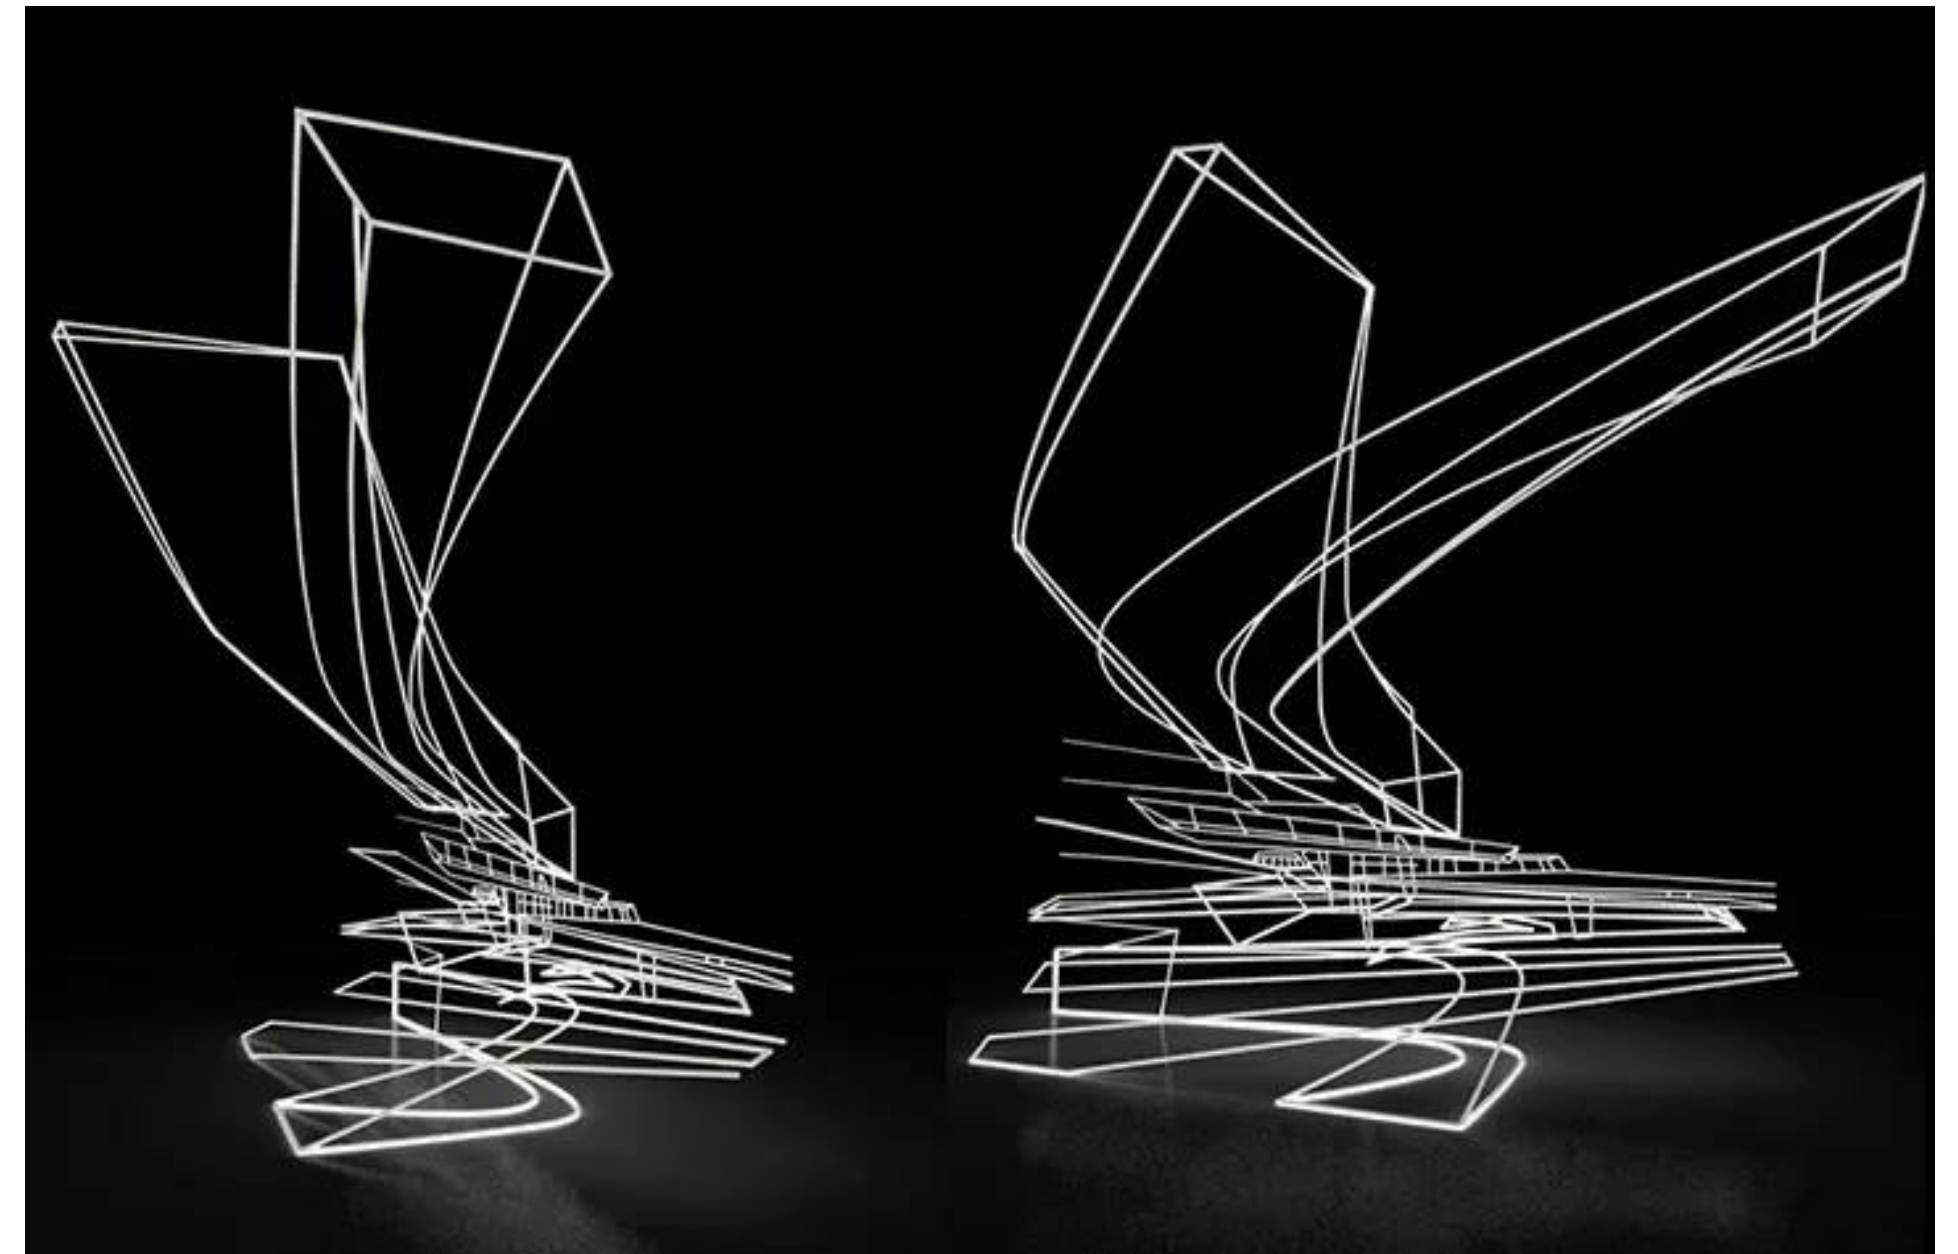

What building have they created/designed?

Include a quote from them

What inspires them?

What do you think of their work?

**ARTIST TIP:** Make your presentation look **AWESOME**, include images with your written work.

# TASK 5

**YWBAT: Complete a copied section of one of the Artists work**

Look at the Zaha Hadid and Renzo Piano drawings, draw a section of their work.

**ARTIST TIP:** Choose an exciting section, match colours.

# Task 6

**YWBAT: Create your own work inspired by Zaha Hadid**

Take photographs from round your house of shapes, draw the outlines from your images to create your own Hadid inspired A4 drawing.

**ARTIST TIP: Use colour from Hadids work to develop your composition.**
