1. Policy Statement

- 1.1 At Sarum Academy we are committed to creating a positive and inclusive learning environment where all pupils can thrive. As a church school our values of respect, ambition, and excellence underpin everything we do.
- 1.2 We believe a safe environment of mutual respect and cooperation creates the best climate for teaching and learning.
- 1.3 High behaviour standards lead to high achievement and personal development, raising aspirations and unlocking potential.
- 1.4 Positive relationships help students achieve their full potential.
- 1.5 Respect and tolerance for others' beliefs and lifestyles are essential.
- 1.6 Confidence and self-esteem are advanced through encouragement, rewards, and praise.
- 1.7 A consistent approach to behaviour management ensures fairness and high standards.
- 1.8 Everyone must have a voice in Academy life, fostering responsibility, maturity, ownership, and pride in the Academy.

2. Responsibilities

It is important to note that both students and their families share equal responsibility in addressing and taking ownership of their own behaviour, as well as the behaviour of their children, to effectively manage any poor conduct within the school.

- 2.1 The Headteacher must ensure good order and discipline, set clear boundaries and expectations, and deploy resources appropriately.
- 2.2 Senior Leaders must lead, manage, and model appropriate behaviour management strategies, supporting staff to apply the policy consistently.
- 2.3 Curriculum Team Leaders must lead and manage behaviour in their curriculum areas, support staff, ensure appropriate rewards and sanctions are issued, and meet with parents as needed.
- 2.4 Pastoral Leaders (Heads of Year) must implement discipline procedures, maintain student records, and take appropriate action as required.
- 2.5 All staff have a responsibility to:
 - 2.5.1 Set high expectations;
 - 2.5.2 Maintain discipline;
 - 2.5.3 Build positive relationships with students and parents;
 - 2.5.4 Demonstrate care and respect for all students;

- 2.5.5 Act justly and fairly;
- 2.5.6 Deal professionally with matters affecting teaching, learning, and personal development;
- 2.5.7 Apply a consistent approach.
- 2.6 The SENDCo must ensure suitable provision for students with SEND, liaise with external agencies, and oversee any 'reasonable adjustments' for students with SEND.
- 2.7 Students must familiarise themselves with and abide by school rules:
1. We are on time
 2. We are equipped
 3. We wear our uniform well
 4. We ensure our mobile is in its Yondr pouch
 5. We are polite and well mannered
 6. We follow adult instructions and do not disrupt the learning of others
 7. We work 'quietly and purposefully!'
 8. We do 'our best work, first time!'
- 2.8 Disruption to learning will not be tolerated. Disruption to learning is anything that interrupts the flow of a lesson. Examples of this include:
- Speaking when the teacher is talking
 - Speaking or shouting across the classroom
 - Speaking to other students during independent work
 - Students repeatedly turning around
 - Asking inappropriate questions

Students will be warned once, then sanctioned. If behaviour continues students will be displaced from the class and placed in internal isolation or internal suspension.

- 2.9 Parents and carers are expected to support the Academy in maintaining good order and discipline. All **families** have a responsibility to:
- Be familiar with the School Rules and Values;
 - Ensure that children are dressed as outlined in the Academy Uniform Policy;
 - Be responsible for the behaviour of their children to and from the Academy;
 - Be available to meet with leaders if the need arises;
 - Encourage children to develop good habits of diet, sleep and a healthy lifestyle;
 - Encourage children to develop proper study habits at home;
 - Prepare children emotionally and socially to be receptive to learning and discipline;
 - Comply with attendance requirements;
 - Agree with the Academy's detention system;
 - Participate in parent/teacher meetings to discuss attainment, progress and welfare;
 - Discuss reports with children and contact the Academy if necessary;
 - Bring to the attention of the Academy any potential problem that might affect their child's normal behaviour;
 - Keep the Academy up to date with home and emergency telephone numbers and

other pertinent information.

3. Principles and Practice

- 3.1** Staff must manage behaviour with clear, fair messages, focusing on praise and rewards to build and maintain respectful teacher-student relationships. Staff should always manage behaviour in the least intrusive way possible so that the workable, respectful teacher- student relationship remains intact.
- 3.2** Staff and students must be inducted in school rules, values, and routines, and are expected to adhere to them at all times.
- 3.3** Praise is more effective than threats or sanctions in modifying poor behaviour. Managing behaviour should focus on reinforcing good behaviour through rewards and recognition.
- 3.4** Positive and negative behaviour is tracked using ClassCharts to identify patterns and support interventions. It is transparent and available to all parents through the ClassCharts App.
- 3.5** Students repeatedly not following school rules will be supported through enhanced provision where appropriate. (See 4.2)
- 3.6** Detentions will be issued on the day as 10, 20 or 90 minutes. Failure to attend results in a detention being escalated.

D10 – 10min detention in the performance hall at lunchtime. Escalated to a D20 if not attended.

D20 – 20min detention in the performance hall at lunchtime. Escalated to a D90 if not attended.

D90 – After school detention - Monday to Friday. Escalated to isolated until completed.

Students will be required to attend the After-School Detention from 3.00pm-4.30pm. They will be supervised to complete missed work and reflect on their behaviour choices. Students will receive this detention if:

- They fail to attend a D20
- They have received two D20s in one day
- They have 60 minutes or more of detentions to complete
- For students whose behaviour has exceeded the criteria for D20, e.g. truancy, smoking, vaping or exhibiting defiance.

The sessions will be conducted the day after the offence is committed. The sessions will run Monday-Friday.

- 3.7** Lateness – Students late to school, and students late to lessons, will be issued a late detention.
- 3.8** Truancy – Students truanting lessons will be sanctioned accordingly. No student is permitted to leave a lesson in the first 20 minutes, or last 20 minutes, of any lesson without the permission of the Head of Year or SENDCo and as part of a pastoral or medical plan.
- 3.9** Suspensions and Exclusions – For information on suspensions and exclusions please refer to the MLP Exclusions Policy.

- 3.10** Mitigation – ‘Reasonable adjustments. The application of the policy is responsive to individual needs. Reasonable adjustments should ensure positive and inclusive experiences.
- 3.11** Mobile phones will be confiscated and returned to a parent only. The school takes no responsibility for loss or damage to phones. A charge will be made for replacement of the Yondr pouch if damaged or lost at the current cost to the school.
- 3.12** Out of bounds – Students need to be aware of areas of the school that are out of bounds during the school day.
- 3.13** Ball games are only permitted in designated areas.
- 3.14** Homework – Students will be issued a detention for repeatedly missing homework deadlines.
- 3.15** Movement around the school site – Students are expected to behave in a safe and sensible manner in corridors and walk at all times.
- 3.16** Wilful damage to property – Parents will be invoiced for wilful damage to school property.
- 3.17** Educational Visits and Journeys - When on an educational visit, students are expected to behave as they would in school. They must also behave in the same way on journeys to and from school in order to maintain an excellent reputation for the school in the community. The Headteacher has authority to take disciplinary action if it is made known that a student at the school has behaved on any other occasion in a way that endangers a member of the public, property, another student, or threatens the reputation or running of the Academy.
- 3.18** Violent or abusive behaviour is not tolerated and will be sanctioned up to and including suspension or permanent exclusion from school and may lead to police involvement.
- 3.19** Prohibited items - Certain items (chewing gum, lighters, cigarettes, vapes, energy drinks, pornography, laser pens) are not allowed on school premises. These will be confiscated and disposed of.
- 3.20** Racism includes any behaviour, speech, or action that discriminates against individuals based on their race, ethnicity, or national origin. This can manifest as direct or indirect discrimination, harassment, or victimisation. Examples include - racial slurs, derogatory comments, offensive jokes. Racism will not be tolerated and will be sanctioned through suspension or permanent exclusion from school and will lead to police involvement.
- 3.21** Extremism and extremist views include any behaviour, speech, or action that promotes radical ideologies, incites violence, or discriminates against individuals based on their beliefs, religion, or political stance. This can manifest as direct or indirect discrimination, harassment, or victimisation. Examples include - hate speech, propaganda, and incitement to violence. Extremism and extremist views will not be tolerated and will be sanctioned through suspension or permanent exclusion from school and will lead to police involvement.
- 3.22** Dangerous or illegal items (fireworks, illegal drugs, knives, alcohol, guns) are also prohibited. Possession will lead to disciplinary action and will lead to police involvement.
- 3.23** Searching, Screening, and Confiscation – Members of staff, as determined by the Headteacher, can search for and confiscate prohibited items if reasonably believed to be in possession of students.

- 3.24** Physical restraint will only be used in exceptional circumstances and in line with legal guidance.
- 3.25** Alternative Provision – The Headteacher has the power to direct education off-site for students beyond the control of the school as an alternative to permanent exclusion. At all times parents and students will be involved in these discussions.

4. Provision

At Sarum Academy we are committed to creating a positive and inclusive learning environment where all students can thrive. This policy outlines the strategies and resources we have in place to effectively support student behaviour.

- 4.1.6** Restorative Practices: We implement restorative practices that focus on repairing harm and restoring relationships, rather than solely relying on punitive measures.
