Q. Which date do I start?

A. Your first day will be Thursday 2nd September 2021 and you need to arrive by 8.20am. There will be staff to meet you at the door.

Q. What will my first day look like?

A. The first day is an induction day and you will spend time with your tutor getting to know everyone in your tutor group, learn how to use the biometric system (finger print), learn how to use the IT equipment and you will familiarise yourself with where the different rooms are in the Academy.

Q. Which tutor group will I be in and will I be with my friends?

A. You will be told who your tutor will be before you break up for the summer holiday. We always try to put you with someone who you will know from Primary school. If you are the only person coming from your Primary school don't worry as there will be other people in the same situation as you. By the end of the first day you will have met lots of new friends!

Q. If the bus is late who do we speak to?

A. If the school bus is late the member of staff on duty will inform Pupil Services so that you will not get into trouble.

If you catch a public bus and it is late you need to sign in at Pupil Services when you arrive.

Q. Will buses be running on the first day of term for Year 7?

A. Yes, all bus services will run as normal on the first day.

Q. What equipment will I need?

A. You will need a black pen, pencil, ruler and a reading book every day.

Q. Where can I go for help?

A. If you have any questions or need some help you can go and see your tutor or you can go straight to Pupil Services and they will help you.

Q. Do we have a timetable?

A. You will be given a timetable which you need to write into your planner. If you lose your timetable you can ask Pupil Services to get you another one. I would suggest that you keep a copy on the fridge at home.
